

## Call for papers

The Organizing Committee of CTCMP 2010 invites abstracts in the broad area of Condensed matter for contributory oral and poster presentations. Please e-mail the abstract as an attachment to [ctcmp2010@niser.ac.in](mailto:ctcmp2010@niser.ac.in) on or before 16/08/2010. The authors will be advised of the acceptance by 15/09/2010.

## Conference Registration

To register, please send e-mail to [ctcmp2010@niser.ac.in](mailto:ctcmp2010@niser.ac.in) on or before 30/09/2010. Conference registration fee is INR 4000 for Scientists and INR 2000 for Students and post doctoral fellows.

## Audio-Visual Equipment

The primary projection equipment will be standard LCD projector. Any other equipment needs have to be arranged in advance by contacting the organizing committee.

## NISER

NISER is an autonomous institute under the Dept. of Atomic Energy, Govt. of India, mandated to carry on research and teaching at an advanced level in all the disciplines of basic sciences.

## Important Dates

Last date for abstract submission : 16/08/2010

Authors advised of acceptance : 15/09/2010

Last date for Registration : 30/09/2010

## Invited Speakers

The conference on “Current Trends in Condensed Matter Physics” will be held in NISER, Bhubaneswar during December 15-19, 2010. Contributory presentations in Oral and poster sessions will be featured during the five days of the conference. Recent advances in experimental, theoretical and computational studies of Condensed Matter Physics will be highlighted. Representative scientific themes of interest are:

- ◆ Methods for electronic structure calculation
- ◆ Low dimensional systems
- ◆ Smart materials
- ◆ Mesoscopic physics
- ◆ Strongly correlated systems
- ◆ Statistical Mechanics & Soft Condensed Matter
- ◆ Nano fabrication and its application
