

(Model Single Page Abstract Format)

Symposium Name: A/B/C..

Sub Topic:

Title (Times new roman, font size 14)

Presenting Author¹, Co-Authors^{2,*} (Times new roman, font size 12)

Department, Organisation, Address, City, Country (Italic, Times new roman, font size 11)

*Corresponding Author E-mail: (Times new roman, font size 10) (only one)

ABSTRACT (Times new roman, font size 11) (Max. 500 words)

You are invited to submit your abstract (maximum 500 words). The abstract should be in English and within one-page limit. Please follow the format and style described in this template. References should be indicated in the text in brackets and listed at the end of the paper (11 points). Figures and tables should be placed preceding the references list.

Authors whose abstracts are selected will be invited to submit a full paper for peer review. The topics of the Conference include a few symposia such as Electronic and Photonic Materials, Quantum materials, Energy and Sustainable Materials, Applied Soft and Biomaterials, Advanced methods in materials, Alloys and Composites, Critical and Strategic Materials, and Materials Modelling and Simulation. For online technical program consistency, this Abstract Template must be used for abstract submission.

Abstracts of a maximum of 500 words must be submitted online by **July 30, 2025**. Authors will be notified of abstract acceptance by **August 30, 2025**. The submission of your abstract in Microsoft Word/PDF should be submitted via the online portal. Each paper accepted for presentation and included in the proceedings must be accompanied by a full registration fee and must be registered by **October 15, 2025**.

Keywords: Keyword1; Keyword2; Keyword3; Keyword4; (Maximum 4).
