

BOG 2014.1.20	To consider payment of honorarium to the faculty members for taking summer term classes
---------------	---

The Board in its 2011/1st meeting (item No.BOG 2011.1.24) approved payment of honorarium to the faculty members for taking summer term classes. In the meanwhile institutions like IITs and IISERs have revised this honorarium. Looking into the need of the hour it is proposed to revise the honorarium for summer term courses for NISER faculty members. The proposal is as follows:

Honorarium as per class size			
3-Lecture Credits	1-5 students	6-20 students	21 and above students
	Rs.40,000/-	Rs.80,000/-	Rs.1,20,000/-

The courses that are to be floated will normally be core courses. However, Academic section may also request the respective schools to offer elective summer courses based on the submission received from the needy students.

The fee structure for the student to pay in order to register for the summer course is as follows.

Fee Structure:

1. Hostel Room rent: Rs.1, 000/-
2. Tuition Fees: Rs.1, 500/- (per course)

The Board considered and approved the above proposal. The Board noted that such summer courses should not only be meant for remedial purposes but also to encourage meritorious students to expand their horizons and study new subjects.
