Discussion and Decision on 12th March 2020

1. Number of flu-like symptoms reported at Health Centre – 5 cases – will be followed up regularly
2. One case – travel history from Malaysia – no fever or cough - requested for self-quarantine for precautionary measure only.
3. 6 rooms in a floor of A-type guest house – kept for self-quarantine zone for NISER members in the campus
4. Monitoring teams created in hostels.
5. Posters of WHO to be circulated widely and posted at different places in NISER
6. A website with all information for COVID-19 will be created
