Where & How?

- On the Library website (<https://www.niser.ac.in/library/>) click on IDR or directly open the following URL:

<https://idr.niser.ac.in/> to access Institutional Digital Repository (IDR)

- The front/landing page of the IDR will look like this:

- To access available full-text documents on the repository, one has to Sign on to the IDR:

- Click on the Sign on button; a drop-down menu will appear. Click on My Dspace from the menu.

- Choose a Login Method screen will appear. Select/click on **Enter Dspace Username and Password** login option.

- It will ask for login credentials; if you have then log in with the same. If you don't then click on **'New User? Click here to register'**

Note: New User Registration can only be done by institute provided email ID e.g. abc@niser.ac.in

The image displays two screenshots of the Institutional Digital Repository (IDR) login page. The top screenshot shows the 'Choose a Login Method' screen. A red arrow points to the 'Enter DSpace Username and Password' option. The bottom screenshot shows the 'Log In to DSpace' form. A red arrow points to the 'New user? Click here to register.' link. The form includes fields for 'E-mail Address' and 'Password', a 'Log In' button, and a link for 'Have you forgotten your password?'.

The screenshot displays the Institutional Digital Repository (IDR) interface. At the top, a navigation bar includes 'Home', 'Browse', 'Help', a search bar, and a user login status 'Logged in as libniser@niser.ac.in'. The main header features the NISER logo and the text 'Institutional Digital Repository Central Library - केंद्रीय पुस्तकालय National Institute of Science Education and Research राष्ट्रीय विज्ञान शिक्षा एवं अनुसंधान संस्थान'. Below this, a breadcrumb trail reads 'Institutional Digital Repository @ NISER Bhubaneswar / Dissertation (MSc) / School of Physical Sciences'.

The central area shows document details for a dissertation titled 'Seismic ambient noise analysis and source characterization of the 2024 central California earthquake using moment tensor inversion and spectral methods' by Kumar, Sanjay, Bhattacharya, Pathikrit, Basak, Subhasish. The document is dated Jun-2026, published by NISER Bhubaneswar, and is part of the 'Dissertations;T1227' series. A 'View/Open' button is highlighted with a red box and a red arrow pointing to it.

Below the document details, a table lists the files in the item. The first file is 'T1227_Sanjay Kumar_23134004.pdf', which is 10.14 MB in size and in Adobe PDF format. A 'View/Open' button is also highlighted with a red box and a red arrow pointing to it.

On the right side, there is an 'Admin Tools' panel with buttons for 'Edit...', 'Export Item', 'Export (migrate) Item', and 'Export metadata'. A 'Logout' button is also visible in the user menu, highlighted with a red box and a red arrow pointing to it.
