Advertisement for Post Doctoral Fellow

(School of Computer Sciences, NISER)

Applications are invited for Post Doctoral Fellow (PDF) positions in the School of Computer Sciences, National Institute of Science Education and Research, Bhubaneswar.

Educational Qualification: The candidates should have a Ph.D degree in Computer Science/ Mathematics or related areas from a reputed and recognised Institute or University covering any of the following research areas. Those who have submitted their Ph.D thesis in one of the fields mentioned below are also eligible.

Research areas: Algorithms, Graph Algorithms, Theoretical Cryptography, Smart Grid, Internet of Things, Ad Hoc networks, Distributed Systems and Algorithms.

Fellowship and Benefits: ₹32,000 - ₹38,000/- + HRA and Contingency as per DAE norms

The position is purely temporary, and appointment made for a year at a time and extendable to a maximum tenure of three years upon satisfactory academic performance. The postdoctoral fellows selected are expected to be associated with regular faculty at NISER depending on mutual research interest; however, in exceptional cases they may also work independently.

Candidates should send in their applications and arrange for the recommendation letters to reach the Chairperson of the School of Computer Sciences through email: **cpscps@niser.ac.in**

The applications should have the following documents:

(a) A covering letter that mentions the specific research area outlined above they would like to be considered in.
(b) A detailed academic CV, list of publications and names of two academic referees.
(c) A statement of research interests.
(d) Soft copy of Ph.D. thesis and preprints/reprints of research publications.

The candidate should arrange for the letters of reference to reach the chairperson of the school by email within two weeks of the date of application. The candidates who are short-listed based on the above documents may be asked for delivering a lecture in the school before the final selection is made. The positions will remain open until suitable candidates are found.
