**TERMS & CONDITIONS:-**

The employer does not bind himself to accept the lowest or any tender and reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rates quoted. Canvassing connection with the tenders is prohibited and the tenders submitted by the contractor who resort to canvassing are liable for rejection. The tenderer shall not be permitted to tender for works in the concerned unit of DAE in which a relative is posted in the grade between Controller of Administration and Scientific Officer (both inclusive).

A person shall be deemed to be a relative of another if, and only if, (a) they are members of a Hindu undivided family; or (b) they are husband and wife; or (c) the one is related to the other in the following manner : Father, Mother (including step mother), Son (including step son), Son's wife, Daughter (including step daughter), Father's father, Son's Son, Son's Son's wife, Son's daughter, Son's daughter's husband, Daughter's husband, Daughter's son, Daughter's son's wife, Daughter's daughter, daughter's husband, Brother (including step brother), Brother's wife, Sister (including step sister), Sister's husband.

1. Quotations submitted shall remain valid for 90 days from the date of opening for the purpose of acceptance and award of work, validity beyond 90 days from the date of opening shall be by mutual consent.
2. The tenderer shall quote rates both in figures and words. He shall also work out the amount for each item of work and write in both figures and words. On check if there are differences between the rates quoted by the tenderer in words and in figures or in the amount worked out by him, the following procedure shall be followed:
  - i) When there is a difference between the rates in figures and in words, the rates, which correspond to the amounts worked out by the tenderer, shall be taken as correct.
  - ii) When the amount of an item is not worked out by the tenderer or it does not correspond with the rate written either in figures or in words, the rate quoted by the tenderer in words shall be taken as correct.
  - iii) When the rate quoted by the tenderer in figures and in words tallies but the amount is not worked out correctly, the rate quoted by the tenderer shall be taken as correct and not the amount.

3. The tenderer should see drawings and in case of doubt obtain required particulars, which may in any way influence his tender from the Engineer as no claim whatsoever will be entertained for any alleged ignorance thereof.
4. Before tendering, the tenderer shall inspect the site to fully acquaint himself about the condition in regard to accessibility to site, nature and extent of ground, working condition of site and locality including stacking of materials, conditions affecting accommodations and movement of labour, etc., required for the satisfactory execution of the work contract at his own cost.
5. Earnest money will be forfeited if the contractors fail to commence the work as per letter of award.
6. Except writing the rates and amount, the tenderer shall not write any conditions or make any changes, additions, alterations and modifications in the printed form of tender. Tenderers who are desirous to offer rebate the same should be brought out separately in the covering letter and submit along with the tender.
7. Security deposit will be released after successful completion of warranty period. Warranty period of the job should be for twelve months from the date of completion of the total work.
8. COMPENSATION/ Contractor shall pay as compensation an amount equal to one per cent or such smaller amount as the Employer (whose decision in written shall be final) may decide on the cost of the whole work as shown in the agreement for every week that the work remains uncommenced or unfinished or due to quantity of work remains incomplete after the proper dates. Compensation paid shall not exceed ten per cent of the estimated cost of the work as shown in the agreement.
9. Stores to be issued: - No material will be issued by the department. Contractor has to arrange cement and steel etc., of approved make for carrying out the work.
10. Deduction of VAT at appropriate rate prescribe by the Govt. of payments will be made from their running and final bill on all works.
11. All the mandatory testing charges will be borne by the contractor.
12. Deduction of Income Tax as applicable under extant rules will be made from the running and final bill in all works.
13. Item rates tenders showings percentage above or below are liable to be rejected.
14. The Contractor shall have to make arrangements for storage required for the work and the laboratory will not take any responsibility for the same.

15. Water will be supplied to the site of work and water charges @ 1% will be deducted from the Contractor's bill.
16. At the time of starting the work the contractor has to submit the list of tools and plants brought to the site work. No items other than the list submitted will be allowed to be taken out of the Laboratory.
