Director, NISER, reserves the right to accept/reject any/all tenders without assigning any reason whatsoever. Part or incomplete tenders will be summarily rejected. No further correspondences whatsoever shall be entertained in this regard. Canvassing in any manner shall result in rejection of the tender.

Any dispute arising out of this shall subject to Bhubaneswar jurisdiction only.

Registrar, NISER

To,

General Terms and Conditions:

1 Sealed tenders are hereby invited for the work of **Supplying Potable Water through Water Tanker in NISER Campus, Jatni** from reputed contractors/agencies. The estimated cost of work is **Rs. 10, 12, 500.00**. The Earnest Money Deposit is **Rs. 20, 250.00**. The eligible contractors may submit their bid along with supporting documents of fulfilling the above conditions otherwise their bids bear the risk of not being considered. The eligible contractors are also required to submit the self-attested copies of PAN CARD and VAT certificate.

In support of fulfilling all the essential conditions mentioned in the previous Para the contractor shall submit the details of similar work carried out, if any, mentioning the name of work, estimated cost, tendered amount, gross value of work done, date of commencement as per agreement & actual date of completion as per agreement along with schedule of quantities executed and any penalty levied due to delay in executing the work from an officer not below the rank of Executive Engineer (Civil).

2. The estimated cost of the work is **Rs. 10, 12, 500.00/-** (Rupees Ten lakh Twelve Thousand Five Hundred only).
3. Period for completion of the work will be **30 Days or 31.07.2017 whichever is earlier** and the date of commencement shall be reckoned from the seventh day of issue of award letter.
4. The tender documents can be made available at the office of the Scientific Officer-D (Civil).
5. Tenders should be submitted in the prescribed format (Non-transferable), which may be down loaded from NISER website: www.niser.ac.in, or collected from the office of the Scientific Officer-D (Civil) by depositing the tender cost of **Rs. 500/- (Rupees Five hundred only)** through A/c payee DD or pay order from any scheduled bank drawn in favor of the **Finance Officer, NISER**. In case of downloaded tenders, the cost of tender document shall be submitted along with the technical bid. Please note that tender documents are not transferable.
6. **Tenders complete in all respects, will be accepted up to 3.30 PM on 23rd May 2017. The bid shall be opened at 4.00 PM on 23.05.2017.** Please note, that bids submitted without tender cost (if downloaded) and EMD are summarily being rejected.

7. Tenders should be dropped in the Tender Box before the closing date and time indicated above or should be send by regd./speed post to Scientific Officer-D (Civil), NISER, At/Po-Jatni, Khurda, Pin- 752050, Odisha to ensure that the same reaches before the date and time indicated above. Late or delayed tenders are liable for rejection.
8. The Earnest Money amounting to **Rs. 20, 250.00 (Rupees Twenty Thousand Twenty Five Hundred only)** as demand draft or pay order from any scheduled Bank and drawn in favor of the Finance Officer, NISER should be deposited along with the tender documents). Tender received without earnest money will be invalid and rejected.
9. Director, NISER does not bind himself to accept the lowest or any tender and reserves the right to accept the tender either in whole or in part. The decision of the Director shall be final in this regard.
10. Canvassing in any manner or form will lead to rejection of the Bid.
11. The tenderer shall not be permitted to bid for works in any unit of DAE where any of his/her relatives are employed. He shall also intimate the names of any such persons who are working with him in any capacity or subsequently employed by him and whose relatives are working in DAE or its units.

NOTE:-

A person shall be deemed to be a relative of another if, (a) they are members of a Hindu undivided family; or (b) they are husband and wife; or (c) the one is related to the other in the following manner : Father, Mother (including step mother), Son (including step son), Son's wife, Daughter (including step daughter), Father's father, Son's son, Son's Son's wife, Son's daughter, Son's daughter's husband, Daughter's husband, Daughter's son, Daughter's son's wife, Daughter's daughter, Daughter's daughter's husband, Brother (including step brother), Brother's wife, Sister (including step sister), Sister's husband.

12. The Bid shall remain valid for a minimum period of 90 days from the date of opening of the tender for the purpose of acceptance and award of work. Validity beyond 90 days from the date of opening shall be by mutual consent.
13. The Tenderer shall quote the rates both in figures as well as words. The cost of individual items shall also be worked out and mentioned in the financial bid (both in figures and words). On check if there are differences between the rates quoted by the tenderer in words and in figures or in the amount worked out by him, the following procedure shall be followed

- i) When there is a difference between the rates in figures and in words, the rates, which correspond to the amounts worked out by the bidder for individual items, shall be reckoned.
- ii) In case, the amount of an individual item is not mentioned by the bidder or it does not correspond with the rate written either in figures or in words, the rate quoted by the bidder in words shall be reckoned.
- iii) In case the rate quoted by the bidder, both in figures and in words tallies but the amount is not worked out correctly, the total rate quoted by the bidder shall be taken as correct.
14. EMD is liable to be forfeited if the contractor fails to commence the work as per award letter.
15. Except writing rates and amount, the tenderer should not write any conditions or make any changes, additions, alterations and modifications in the printed tender form. Tenderer who are desirous to offer rebate the same should be brought out separately in the covering letter and submit along with the financial bid.
16. Some of the provisions of the contract are given below.
- a) SECURITY DEPOSIT - A sum @ 5% of the gross amount of the bill shall be deducted from each running bill of the contractor, till the sum along with the sum already deposited as earnest money, will amount to security deposit of 5% of the tendered value of the work. In addition, the contractor shall be required to deposit an amount equal to 5% of the tendered value of the contract as **Performance Security** within the period prescribed for commencement of work in the letter of award issued to him.
- b) COMPENSATION – In the event of any delay or default or damage due to non-supply of required quantity of water within the scheduled period as per clause No. 27, the contractor shall pay an amount equal to one per cent of the total cost of work or such smaller amount as decided by Director, NISER (whose decision shall be final) as compensation to the institute, for every week that the supply remains in abeyance or unfinished. Compensation to be paid shall not exceed ten per cent of the estimated cost of the total work as per award letter.
17. Stores to be issued: - No material shall be issued by the Institute. The responsibility for arranging all materials from approved manufacturer as per award letter lies with the contractor.
18. There will be deduction of IT from every RA bill and also from the final bill of the contractor at the rate prescribed by govt. of India from time to time.
19. The successful bidder will be required to submit the names, qualifications and experiences of the supervising staff to be deployed for execution of the work. In case of

any changes occurring during the course of execution of the said work, the same shall also be intimated by the bidder to the institute.

20. The Contractor shall have to make his own arrangements for storage of materials required for execution of the work and NISER in any manner shall not be held responsible for the storage and safe custody of the said materials at work site.
21. At the time of starting the work the contractor has to submit the list of tools and plants brought to the site work. No items other than the list submitted will be allowed to be taken out of the site. **Sufficient manpower/water tanker must be engaged to meet the daily water requirement .i.e. 3, 00,000 litres per day.**
22. Tenderers shall inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the site and shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not. Submission of a tender implies that the tenderer has read the complete contract documents and is aware of the conditions, specification of the work to be done and of the local conditions and other factors having a bearing on the execution of work. Any claim either for extra amount or for additional time for execution due to ignorance about the site and working condition is not payable.
23. It is the sole responsibility of the tenderer to ensure proper lightning/visibility, access (ladder etc.) and any other safety measures for the trained personnel during work.
24. **All the mandatory testing charges will be borne by the contractor. Water test certificate of water sample of source/sources from where the water will be extracted by contractor has to be submitted once in 15 days. The test certificate of the water sample must be from NABL accredited laboratory. IS: 3025-1964, IS: 1622-1981 & IS: 10500-2012 to be followed for sample collection & testing procedure.**
25. **The frequency of supply of water at the location should be met with daily requirement of 3, 00,000 litres. Supply of water to be completed everyday i.e. 3.0 lakhs litres of potable water daily, from the date following the date of issue of work order.**
26. It is the responsibility of tenderer to deliver potable water from tanker to OGR (over ground reservoir) or to any designated place as directed by NISER authority. Water supply will be required by the institute round the clock and tenderer is required to supply water at the designated timing and even during exigencies even at odd hours as per the requirement of the institute.
27. The contractor should own registered vehicles and in good condition without any leakage problem and must have required accessories such as hose pipe (of appropriate length & dia), Pump of appropriate power (Hp) and other necessary tools/pipe fittings so as to

deliver water to OGR without any problem & meeting the daily requirement of 3.0 lakh litres of water failing which penalty as mentioned at clause 17(d) above will be recovered from the monthly bill.

28. The rate quoted deemed to include the water charge, water tanker hire charge, fuel/lubricant charges, transportation cost of water from source/sources (identified by tenderer) to NISER, driver & helper fooding/other expenses. **No other charges will be made except the rate quoted by tenderer.**
29. The payment for the supply shall be made on monthly basis on submission of Log Book along with the delivery challan, to be certified by the Civil/PHED Engineer (in charge) of NISER. A daily log book for supply of required number of water tanker shall be maintained and countersigned by NISER officials for each trip.
