PART - 1
TERMS & CONDITIONS
FOR SUPPLY AND INSTALLATION OF
GLANCING ANGLE DEPOSITION (GLAD) SPUTTERING
FOR
NATIONAL INSTITUTE OF SCIENCE EDUCATION AND RESEARCH, JATNI
Notice Inviting E-Tender No. 48/2017-NC-001141-PH1605-17-18 (2 Part Tender)

1. Director, National Institute of Science Education & Research, Jatni (NISER) invites sealed tenders for **Glancing angle deposition (GLAD) sputtering** from the Manufacturer and their authorised reseller only having following credentials.
 - A. Should have satisfactorily completed **similar supplies** (at least one of them in Central Government/Central Autonomous Body/Central PSU) .
 - B. **Similar or Similar Nature of work means** Supply & Installation of **Glancing angle deposition (GLAD) sputtering** for any of the following :
 - a) Government/Autonomous Institutions
 - b) Government Research Centres
 - c) Universities
 - d) Autonomous/Reputed Private Research Centres
 - e) Purchase Orders / Completion certificates if any, for supporting above requirements.

The Bidders are requested to give detailed tender in the prescribed forms in two Bids
i.e. Part - I Technical Bid.
Part - II Commercial Bid.

2. Contact for information: (Only E-mail enquiries will be entertained)

For Technical Information of Glancing angle deposition (GLAD) sputtering:

Dr. Subhankar Bedanta,

School of Physical Sciences, NISER.

E-Mail – Subhankar Bedanta <sbedanta@niser.ac.in>

For Information regarding Commercial & all other Terms & Conditions:

Mr. Deepak Srivastava

Stores & Purchase Officer

National Institute of Science Education & Research, Jatni

E-Mail-spo@niser.ac.in

3. Supply means:

“Supply, Installation, Commissioning and satisfactory demonstration of the whole equipment”.

If any charges extra are payable for Installation and Commissioning, the same should be specified in the commercial offer.

4. Tender Document:

The Technical Offer should comprise of the following:

a) Tenders, which are submitted without following the Two-Bid Offer System, will summarily be rejected.

b) The technical offer should be complete to indicate that all products and services asked for are quoted. Each page of the bid and cutting/corrections shall be duly signed and stamped by the

bidder. Unsigned Tenders will also be rejected. Failure to comply with this requirement may result in the bid being rejected.

c) The purpose of certain specific conditions is to get or procure bestproduct/serviceetc. for NISER. The opinion of Technical Committee shall be the guiding factor for technical short listing.

d) The earnest money deposit as indicated against the item should be sent by post so that it reaches on or before the opening of the technical bid for e-tender system in the form of Account Payee Bank Draft payable on any branch of Nationalised/Schedule Bank at Bhubaneswar/ Jatni in favour of “Director, National Institute of Science Education & Research, Jatni”, in a separate sealed envelope. All tenders submitted without requisite amount of earnest money shall be rejected and their technical and financial bids shall not be opened. No interest is payable on EMD.

The EMD will be returned to the bidders(s)/Agents whose offer is not accepted by NISER within one month from the date of the placing of the final order(s) on the selected bidder(s). In case of the bidder(s) whose offer is accepted the EMD will be returned on submission of Performance Bank Guarantee (if applicable). However, if the return of EMD is delayed for any reason, no interest /penalty shall be payable to the bidders.

EMD EXEMPTION:

PARTIES REGISTERED WITH SSI/DGS&D/DAE AND FOREIGN PARTIES QUOTING DIRECTLY ARE EXEMPTED FROM PAYING EMD. FOREIGN PARTIES QUOTING DIRECTLY UNDER ORIGINAL SEAL AND SIGNATURE (NOT SCANNED) WILL GET THE EXEMPTION.

The EMD shall be forfeited:

If the bidder withdraws the bid during the period of bid validity specified in the tender. In case a successful bidder fails to furnish the Performance Bank Guarantee (if applicable).

a)Undertaking that the successful bidder agrees to give a Performance Bank Guaranty of10% of the purchase order value in favour of “Director, National Institute of Science Education & Research, Jatni valid till warranty period.

Performance Bank Guarantee:

Within ten (10) days of the award of contract, the vendor shall furnish a Performance Bank Guarantee amounting to 10% of the purchase order value in the form of Bank Guarantee favouring the Director, National Institute of Science Education & Research, Jatni valid till completion of warranty period.

a)If the bid is for branded makes, authorization letter from principals clearly indicatingthat the vendor is the competent authority to sell and provide services towards the items mentioned in the scope of supply given in this tender document.

b)Copy of GST No. and PAN No. allotted by the concerned authorities.

c)List of deliverables / Bill of materials and services.

d)Compliance sheet with any deviation with reference to the terms and specifications.

e)The item should be supplied with manuals and the manuals including technicaldrawingsshould be complete in all respects to operate the system without any problem.

“Commercial Bid” shall contain:

a)Price schedule complete in all respects with proper seal and signature of authorized person.**Tender with any condition including conditional rebate shall be rejected forthwith.**

b) Cost of all the items should be mentioned clearly and individually in the Commercial Offer only.

c) **The Bidders are requested to quote for Educational/Institutional Price forMachine/ Equipment and, since we are eligible for the same.**

d) **Printed conditions of the vendor submitted with the tender will not be binding on NATIONAL INSTITUTE OF SCIENCE EDUCATION AND RESEARCH.**

5. Tender process & award of contract.

The technical bids will be evaluated to shortlist the eligible bidders. The commercial bids of only the short listed bidders shall be considered for further processing. Bidders whose technical offer is found acceptable and meeting the eligibility requirements as specified in this tender will be informed about the date and time of the opening of the commercial bid.

- NISER will open commercial bids of only the short listed bidders, in the presence of the bidders or their authorized representatives who choose to attend the commercial bid opening. The Date and Time of opening the Commercial Bid will be intimated only to pre-qualified and technically acceptable Bidders for the item at a later date.
- ONLY TECHNICALLY accepted competitive bids will be considered for placing Purchase Order. The commercial offers of the vendors whose technical offers are found to be technically deficient or do not meet the qualification criteria as specified in this tender will be returned to them without opening.
- **Purchaser's Right to vary Quantities at the time of Award:** NISER reserves the right at the time of award of Contract to increase or decrease the quantity of items specified in the Schedule of Requirements without any change in price or other terms and conditions.

6. The Director NISER reserves the right to accept the offer in full or in parts or reject summarily or partly.

7. Delivery Period / Timeliness

The deliveries, installation must be completed within 180 days, after placement of purchase order. The time is the essence of the contract. It is mandatory for the bidders who respond to this bid to meet these expectations, as they are tightly linked to NISER's plans of completing the project within the time frame.

8. Locations for the Supply / Services

The Laboratory Equipments covered by this document is required to be supplied and installed at School of Physical Sciences of NISER, Jatni.

9. Order Placement and Release of Payment

The Purchase Order and payment shall be processed by –

**Stores & Purchase Officer
National Institute of Science Education & Research,
Jatni Campus, P.O. – Bhimpur-Padanpur, Via-Jatni,
Khurda – 752050, Odisha, INDIA**

Payment for the items to be supplied by the vendor against the purchase order shall be made by National Institute of Science Education & Research as follows:-

Foreign Currency payment:-

100% payment will be made through Letter of Credit. 80% will be paid after submission original shipping documents & balance 20% will be released after satisfactory installation, commissioning, warranty certificate and along with submission of Performance Bank Guarantee.

INR payment:-

80% will be released after receipt of material in good condition & balance 20% will be released after satisfactory installation, commissioning, warranty certificate and along with submission of Performance Bank Guarantee.

Agency Commission: Agency Commission to be paid to Indian Agent should be specified separately and same will be paid in INR.

The tenderers who are not agreeing to above payment terms are requested not to submit their tender otherwise their EMD will be forfeited.

10. NISER will not provide any accommodation/transportation for the engineers/ representatives for attending installation, commissioning and demonstration work. It is the absolute responsibility of the Principal Supplier/Indian Agent to make their own arrangements.

11. The successful bidder, on award of contract / order, must send the contract / order acceptance in writing, within 7 days of award of contract / order failing which the EMD will be forfeited.

12.Period of validity of bids

- Bids shall be valid for a period of 90 days from the date of opening the Technical bid.
- NISER may ask for the bidder's consent to extend the period of validity. Such request and the response shall be made in writing only. The bidder is free not to accept such request without forfeiting the EMD. A bidder agreeing to the request for extension will not be permitted to modify his bid.
- Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

13.Corrupt or Fraudulent Practices

NISER requires that the bidders who wish to bid for this project have highest standards of ethics. NISER will reject a bid if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices while competing for this contract. NISER may declare a vendor ineligible, either indefinitely or for a stated duration, to be awarded a contract if it at any time determines that the vendor has engaged in corrupt and fraudulent practices during the execution of contract.

14.Interpretation of the clauses in the Tender Document / Contract Document

In case of any ambiguity / dispute in the interpretation of any of the clauses in this Tender Document, Director, NISER's interpretation of the clauses shall be final and binding on all parties.

15.Price

- The price quoted shall be considered firm and no price escalation will be permitted at any time. The quotation should be in Indian Rupees or any known foreign currency. Packing, forwarding, freight, insurance, **Agency commission** and commissioning charges, if any extra may be quoted separately in Commercial Bid.
- In case of INR bids the price criteria should be on F.O.R., NISER, Jatni. Govt. Levies like GST, etc., if any, shall be paid at actual rates applicable on the date of delivery. Rates should be quoted accordingly giving the basic price, GST, etc., if any.
- Please provide TIN no. of the firm along with the GST No. allotted by the concerned authorities in your quotation.
- In case of Foreign Currency bid: - Price criteria should be FOB nearest airport detail break up of Price, FCA cost, **Agency Commission**, Insurance, Freight up to Kolkata Airport is required.
- NISER may place order at CIF Kolkata Airport basis.

16. Pre-installation:

Pre-installation facilities required for installation may please be intimated in the technical bid. Subsequently, before the consignment lands in NISER, Jatni the bidder shall confirm that the pre-installation requirements are sufficient for installation of the equipments. In other words the bidder

should continuously monitor the pre-installation requirements and see that everything is ready before the consignment is taken to the site for installation.

17. Installation, Warranty & Support

- Bidder shall be responsible for installation / demonstration wherever applicable and for after sales service during the warranty and thereafter.
- The items covered by the schedule of requirement shall carry minimum **Three (03) years comprehensive warranty from the date of acceptance of the equipment** by NISER. Warranty shall include free maintenance of the whole equipment supplied including free replacement of parts. The defects, if any, shall be attended to on immediate basis but in no case any defect should prolong for more than 24 hours. The comprehensive warranty includes onsite warranty with parts.
- The defects, if any, during the guarantee/warranty period are to be rectified free of charge by arranging free replacement wherever necessary. This includes cost, insurance, freight, custom duty, GST, local taxes if any should be borne by the beneficiary or his agent. A clear confirmation should be given for this item.
- The OEM/bidder shall assure the supply of spare parts after warranty is over for maintenance of the equipment supplied if and when required for a period of 7 years from the date of supply of equipment on payment on approved price list basis.
- The equipment must be supported by a Service Centre manned by the principal vendor's technical support engineers. The support through this Centre must be available 24 hours in a day, three days a week and 365 days a year. Also it should be possible to contract the Principal's vendor support Centre on a toll free number/web/mail.
- The vendor will have to arrange for all the testing equipment & tools required for installation, testing & maintenance etc.

18. Indemnity

- The vendor shall indemnify, protect and save NISER against all claims, losses, costs, damages, expenses, action suits and other proceeding, resulting from infringement of any law pertaining to patent, trademarks, copyrights etc. or such other statutory infringements in respect of all the equipment's supplied by him.
- The successful bidder will be fully responsible for payment of wages and other dues as prescribed and compliance of various Labour Laws.
- The successful tenderer should give an undertaking that the staff deployed at the centre in terms of this contract at all time will be employees of the agency exclusively and they shall not be entitled to any claim of employment or permanency of job with NISER.
- NISER reserves the right to forfeit whole or part of the security money towards any damage/lose caused due to the negligence on the part of the agency engaged.

19. Insurance

The equipment to be supplied will be insured by the vendor against all risks of loss or damage from the date of shipment till such time it is delivered at NISER site in case of Rupee/Foreign currency transaction.

20. Penalty for delayed Services / LD

As time is the essence of the contract, Delivery period mentioned in the Purchase Order should be strictly adhered to. Otherwise the EMD/SD will be forfeited and also LD clause will be applicable /enforced.

If the supplier fails to Supply, Install and Commission the equipment as perspecifications mentioned in the order within the due date, the Supplier is liable to pay liquidated damages of 1% of order value per every week of delay subject to a maximum of 10% beyond the due date. Such money will be deducted from any amount due or which may become due to the supplier.

NISER reserves the right to cancel the order in case the delay is more than 30 days Penalties, if any, will be deducted from the EMD.

21. Jurisdiction

If a dispute arises out of or in connection with the contract, or in respect of any defined legal relationship associated therewith or derived therefrom, the parties agree to submit that dispute to arbitration under the ICADR Arbitration Rules, 1996.

The authority to appoint the arbitrator(S) shall be the International Centre for alternative dispute resolution.

The International Centre for Alternative Dispute Resolution will provide administrative services in accordance with the ICADR arbitration Rules, 1996.

Vendor Name		-	
SL. No.	Item Specification	Accepted/Not Accepted/Deviation if any. Please specify your specification if deviation is there	Page No. of your specifications/Brochure/ Deviation, etc attached in support of your specification/deviation
	<p>NISER is planning to procure “Glancing angle deposition (GLAD) sputtering” with the following technical specifications as given below. The vendor should meet all the requirements given below to comply.</p> <p>The technical quote must be accompanied by a detailed technical document of the equipment components quoted from OEMs. Description proving compliance to each of the above technical requirement must be clearly highlighted in the said technical document, and the serial number of the related technical point must be noted next to the highlighting. In case the specific information is not present in the document, it must be clearly mentioned with a web-link, where in the website of the OEM such information about the quoted equipment can be found. Failure to satisfy these conditions or unavailability of information to</p>		

	<p>prove the technical features, or incomplete or unclear or false information provided in the technical quote will be grounds for summary disqualification. The onus is on the quoting party to provide all the information required for technical assessment, and such assessment will be carried out solely on the basis of the information provided to NISER in the technical quote.</p>		
1	<p>Vacuum sputter deposition chamber (VSDC) with Glancing angle deposition (GLAD) attachment. The chamber should have ports (100 CF) for 4 sputter sources (2-inch dia) from bottom of the vacuum chamber. The system should be ultra-high vacuum ($<1 \times 10^{-9}$ mbar) compatible. It should be bakable (from outside) up to 200 °C. The chamber shape should be spherical (refer to the attached schematic drawing). It should be on wheel-based stage having adjustable foots.</p> <p>Port for GLAD attachment (one sample holder to be used at one time). GLAD attachment with 300 °C for 2-inch sample in the main chamber. The variation of angle should be 0 to 90° with respect to normal to the sample holder surface. The angle resolution of rotation should be 1° or better. 35 CF port for quartz crystal monitor (QCM), Port for load-lock, 35 CF port for mask linear feed through,</p>		

150 CF port for turbomolecular pump (Pfeiffer Hi Pace 700 model), (pump not required); port for gauges for the whole range, view ports with shutter (35 CF and 63 CF) diagonally opposite to each other, one connecting port to transfer chamber, magnetically levitated transfer arm, gate valves etc. Transport chamber (TC) attached to the VSDC. This chamber should have two ports of same size (100 CF) connecting to the VSDC and other vacuum systems. It should also have ultrahigh vacuum ($<1 \times 10^{-9}$ mbar) compatibility and bakable up to 200 °C. The two chambers should be connected in such a way (at 120° angle or compatible) that it should fit our available space (2 meter × 2 meter). TC should have transfer sample stage of variable height (25 mm) and rotation option (360°). In addition to this, it should have 100 CF port and for 35 CF for one Low energy electron diffraction (LEED) and one ion source, respectively. LEED and ion sources will be installed later. It should also have one view port with shutter. For compatibility, the specifications of our LEED are: Full extended in-vacuum length from flange (100 CF) to end of aperture of ion source: 335.5 mm. Working distance 15 mm. Retractable distance: 100 mm; Specifications for our ion source: Flange size: 35 CF; In vacuum length 62.5 mm, working distance: 30 mm. Ion beam will fall at 45° from the sample normal. 2-inch substrate holder for 800 °C with rotation (1 to 20 RPM), up and down movement (25 mm), PID controller. Linear feedthrough (35 CF) for masking the substrate, should have linear movement resolution 0.1 mm or better. Mask arrangement should be such that it should have in contact with the

	<p>sample during the deposition.</p> <p>Variac thermocouples with display for baking tapes (quantity: 7).</p> <p>Software interface for the whole system including valves, QCM etc. Chamber to store the GLAD stage outside the chamber in which vacuum is achievable to better than 10⁻⁶ mbar. DC switch for the DC sputter sources to switch the power connection from one DC power supply by computer. RF switch for the RF sputter sources to switch the rf power. Load-lock arrangement using (user provided) pumping station. Load-lock should be connected to the VSDC. Port size KF 40 for the pump. Port size KF100 for sample exchange. Gate valves should be motorized and with interlock mechanism. Instrumentation rack. It should also fit in the area of 2 meter × 2 meter including VSDC and TC. Motorised gate valve for main chamber (150 CF). 2-inch magnetron sputter source with shutter and gas rings; mounting flange 100 CF (quantity: 2).</p> <p>View ports CF35 (Quantity: 1).</p> <p>Swagelok valve with VCR end fitting 1/4" (quantity: 2).</p> <p>Warranty: 1 year</p>		
2	<p>Water manifold and common flow switch for the whole chamber assembly (Quantity:1).</p>		

3	<p>Mass flow controller for Ar, N2, and O2 gases. Gas flow: 0 to 100 sccm. Accuracy at calibration conditions: \pm (0.8% of Reading + 0.2% of Full Scale); Repeatability: \pm 0.2% Full Scale; Operating Range / Turndown Ratio: 0.5% to 100% Full Scale / 200:1 Turndown; Maximum Controllable Flow Rate: 102.4% Full Scale; Maximum Measurable Flow Rate up to 120% Full Scale; Typical Response Time: 100 ms (Adjustable); Warm-up Time: < 1 Second; Operating Temperature: -10 to +60 °C; Humidity Range (Non-Condensing): 0 to 100%; Maximum Internal Pressure (Static): 145 psig; Mounting Attitude Sensitivity: None; Display: Simultaneously displays Mass Flow, Volumetric Flow, Pressure and Temperature; Digital Input / Output Signal: Options RS-232 Serial / RS-485 Serial / EtherNet IP etc (quantity: 3).</p>		
4	UPS for system 10 KVA 3 phase with 1-hour backup.		
	Optional Items		
1	QCM assembly without the controller with 10 crystals		
2	Water chiller, 1KW cooling power, at least 5 liter SS storage tank, PID controller. With low noise < 50 dB.		
3	03 Years On-Site Comprehensive Warranty
