

Technical Evaluation of NC-000092-PHY-19-20

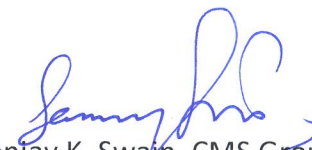

Nitrogen Generator

With reference to the tender No. NC-000092-PHY-19-20 for the procurement of a nitrogen generator system for the CMS Detector laboratory, School Physical Sciences, NISER, following two vendors participated in the tendering process:

1. KAF INTERNATIONAL, A1-203, TAJ ENCLAVE, GEETA COLONY, DELHI-110031
2. A. S. Enterprises, C-202, Taj Enclave, Geeta Colony, New Delhi

Upon a careful scrutiny of the submitted documentation by both the vendors, we hereby declare that both the bids are technically qualified as per the required specifications.
