

Technical evaluation of bids against our tender call notice **NIT-30/2018 NC-001027-BIO-17-18** for purchase of **LCP robot and Uv microscope**.

Against our tender call notice two bids are received:

1. Mosquito 2 way LCP (TTP Labtech Ltd. UK) and UVEx-P (JAN Scientific, Inc., USA) models quoted by TTP Labtech INDIA Private Limited, Delhi.
2. Crystal Gryphon LCP and CrysCam UV models from Art Robbins Instruments, LLC., USA quoted by BIOGENIX MEDSYSTEM Pvt. Ltd., Delhi.

A technical committee approved by Director, NISER evaluated the bids for compliance and other technical aspects of the models.

The models quoted by both participated parties comply with the required technical specifications as per tender notice.

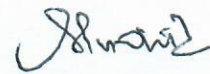

Technical committee recommends both the bids for financial comparison.
