(ACADEMIC SECTION)**

**Information for applicants for admission into PhD
programmes at various schools of NISER**

This is to inform the shortlisted candidates of all schools that due to various unavoidable reasons in this COVID-19 pandemic situation, enrollment of new PhD batch at NISER is hereby postponed and will begin from January 2021 if situation permits. The published shortlist on NISER homepage based on the applications received in Summer-2020, will be carried forward for the selection process in the coming months, but not earlier than 01 November 2020. The dates for written test/interview will be notified on the website at an appropriate time. Shortlisted candidates will also receive call letters via email from the respective Schools only after the dates for written test/interviews are decided.
